BOOK *of the month*

Thanks-Living

by Stu Epperson, with Gary Chapman (Foreword)

Our lives are divine gifts—but they don't always feel like that. Life can feel like a tangle of thorns and thistles. It's often marked with sorrow, disappointment, and heartache. So, how do we embrace or follow the biblical charge to give thanks in all things?

In his honest and encouraging book, Thanks-Living, Stu Epperson invites us into the beauty and joy found in life shaped by thanksgiving. Gratitude doesn't mean denying the real grief and pain in our lives. Rather that we boldly anchor our hearts in God, in His presence and promises. We can give thanks in all things—because God is present in all things. Even in lack, we are not empty. Even when life feels uncertain, God is proven and trustworthy.

A daily commitment to gratitude can restore hope and joy to your everyday life. If you want to be light to a dark and desperate world, then join Stu in the journey of being Thanks-Living. Get your copy today at Chronicles Christian Books!

November Missions

HOW TO SUPPORT MISSIONS

You can give financial support to our Missions projects through our regular giving envelopes by check or cash. You can also give *Electronically* using our **Online Giving Portal**, through our **Mobile App**, or at Chronicles Christian Books.

You can also support our missionaries by sending a SOTH Missions **Postcard** at Chronicles Books. You can write an encouraging message to our commitment missionary of the month, and we will mail the card for you.

Derrick Whitmore is our **Missions Commitment** focus for the months of November. Derrick serves as the Executive Director of Shattered Studios in Orlando, Florida.

Derrick Whitmore is the founder and currently serves as the Executive Director of Shattered Studios, a non-profit organization that shares hope and faith through the creative, performance, and media arts.

Derrick felt the call to ministry after the Lord healed him of the depression and low self-esteem he felt as a youth. While serving as the youth pastor of Shepherd of the Hills, Derrick observed some of the youth were dealing with similar levels of depression and even suicidal thoughts. He felt the urgent need to gather a team together to specifically address this need and soon Shattered Studios was formed. Not long after, Derrick felt God calling to devote more time into working with those struggling with depression and, as a result, he began working for Shattered Studios full time. Due to the large number of missionary resources available in Orlando, FL, he decided to expand Shattered Studios to incorporate the Orlando metro-region.

His greatest desire is to help people, especially youth and young adults, come to personally know the Lord and grow in an unending relationship with Him. Derrick is also passionate about inspiring others to use whatever gifts they have been given to serve others and glorify the Lord (1 Peter 4:10-11).

OCTOBER MISSIONS
Vision Project

"Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you."

Operation 143 is our Missions Vision Project for the month of September.

Operation 143 strives to live out God's call to do all things in love, by feeding His children.

Serves the local area by providing meals to students during the weekends.

Works with over 30 schools in the Pottstown, Boyertown, Pottsgrove, and Spring-Ford area.

Operation 143 sends children home with backpacks full of easy to prepare food to bridge the gap of the weekend, with enough food for dinner Friday and breakfast, lunch, and dinner Saturday and Sunday.

Monthly Updates

An Update from the Pastor…

Hi Church! I want to say welcome to Fall (my personal favorite time of year). And what's not to like? Smores, hot chocolate, leaves changing, holidays, and the FOOD! What a great time it is. As with every change of season, Fall brings with it a lot of activities at the church. We are looking forward to resuming our family meals on Wednesdays. So, be sure to mark your calendar and come on out for dinner.

We are also looking forward to some fellowship events like movie nights, men's breakfasts, pancake Sundays (the third of each month), among other things. So please be sure to read through the bulletin and the newsletters each week – they are filled with a lot of information.

I also wanted to thank everyone for your prayers over the ministry here, especially the school. Who knew the Lord was going to bless that area the way He has? So, to everyone who has prayed, given, served, enrolled kids, or otherwise helped with the school: thank you – we could not have done it without you!

I also wanted to share the plans for the Sunday message series. The hope is (unless the Lord returns first, that is!) that we will continue our series "Decently and in Order" until right before Thanksgiving. We will have a Thanksgiving message, and then move into our Christmas season. While we don't do a formal Advent these days, I do like to try and keep with the idea of Advent, devoting each December message to Christmas, culminating on Christmas Eve.

Again, thank you all for all your hard work and prayers as we move into Fall; nothing could happen here without your help and support.

Blessings!

Pastor Collin

Property Updates

The church property is large – between 15 and 20 acres. That means it takes constant upkeep and work to ensure it remains capable of meeting the needs of the ministry. Here are some recent updates regarding the property:

Fall has arrived, and with it comes a busy fall season here at the church. Between our school, Wednesday night children and youth activities, and the many family events taking place throughout the season, our property continues to be an important place where ministry and community come together. With so much activity happening each week, there is plenty to keep us busy behind the scenes as we work to care for and maintain our facilities and grounds.

One area where we especially need help is groundskeeping. As the leaves begin to fall, leaf cleanup becomes a significant task. Keeping the grounds neat and safe requires time, effort, and willing hands. If you are able to help with raking, blowing, collecting, or otherwise cleaning up leaves, we would greatly appreciate your assistance. Whether you can help regularly or simply lend a hand for a cleanup day, your involvement makes a real difference.

We also continue to recognize the need for an auxiliary building. As the number of activities and ministries using our facilities continues to grow, additional space would provide valuable flexibility. An additional building could help accommodate activities, storage, meetings, and other needs while allowing our existing spaces to be used more effectively. Please continue to pray for God's guidance and wisdom, and of course, provision for this future project.

Another exciting development is the beginning of our café relocation project. Work has now started with the removal of the service window between the kitchen and the parlor/bookstore wall. This is the first step in transforming the space and moving the project forward. We are grateful to see this project getting underway and look forward to the improvements it will bring to our Lobby and Parlor areas.

Again, as we enter this active fall season, we are thankful for everyone who helps care for our property. From those who maintain the grounds to those who assist with projects and improvements, every contribution helps keep our facilities ready for the many people who use them each week. Thank you for your continued willingness to serve, give, and help make our property a welcoming and functional place for ministry.

If you have any questions regarding our property or building, feel free to reach out to Pastor Jonathan Grove at 610-754-6446 ext. 21 or by email at jgrove@soth.church.

H2O HIS TO OWN

YOUTH UPDATES

H2O Youth: A New Chapter Ahead

For more than a decade, our youth ministry has carried the name H2O (His to Own)—a title that has served our teens well and reflected a season of growth, discipleship, and community. As our ministry continues to expand, we believe this is the right time to explore a fresh identity that reflects who our students are today and where God is leading them next.

Over the next two months, our Junior High and Senior High students will have the opportunity to submit ideas for a new youth group name. We've encouraged them to think creatively, prayerfully, and biblically, grounding each name in a meaningful Scripture verse. This process not only invites them to shape the future of their ministry but also helps them engage deeply with God's Word.

In December, our Youth Leadership Team will review all submissions and select the top three finalists. Students will then vote, and the winning name will be revealed in January 2027 during a special kickoff night.

We invite our church family to pray with us as we seek God's direction. Your encouragement means so much to our teens as they step into this exciting new chapter.

MUSIC MOMENTS

"Give Me Faith"

Give me faith to trust what You say, that You're good, and Your love is great, I'm broken inside, I give You my life.

The song "Give Me Faith" by Elevation Worship expresses a deep desire for God to transform our hearts and lives. The lyrics recognize that we cannot change ourselves through our own strength, but that we need God to give us faith, renew our hearts, and help us become more like Him. This message connects closely with Romans 12:1–2, where Paul calls believers to offer their bodies as a "living sacrifice" and to be transformed by the renewing of their minds.

Giving ourselves to God means surrendering our own desires, plans, and ways of thinking so that He can shape us according to His will. The song's prayer for God to give us faith reflects this surrender. Faith allows us to trust God even when transformation is difficult or when we cannot see what He is doing.

Romans 12:2 teaches that transformation begins with the renewal of our minds. As we spend time in God's Word, pray, worship, and follow His direction, He changes us from the inside out. "Give Me Faith" reminds us that this transformation is not something we accomplish alone. Instead, we depend on God's power and grace. When we surrender ourselves to Him, He continually molds us into the image of Christ and helps us live according to His perfect will.

Spiritual Care:

A God Who Brings Order to Chaos (Genesis 1)

The story of Creation in the book of Genesis serves as a powerful reminder that our God is deeply intentional. The universe did not come into existence by random chance; rather, every element—from the separation of light and darkness to the breathing of life into humanity—was executed with absolute purpose.

When we battle mental health issues, our internal landscape can mirror the formless and void chaos of primeval reality. Anxiety, depression, and trauma trick us into believing that our suffering is random and meaningless. However, Genesis reveals a sovereign Creator whose Spirit hovers over the dark, turbulent waters before bringing forth life.

We can find profound daily hope in knowing that our pain is not an accidental glitch. The same God who established cosmic boundaries and meticulously organized the universe is actively structuring our lives. He remains present in our darkest moments, mapping out a plan for restoration and peace.

Ultimately, we can be completely confident that God brings divine order to all things. Your mental health struggles do not catch Him by surprise; they are terrains where His intentional grace is at work, turning chaos into a beautifully purposeful new creation.

For more counsel and prayer around life's difficult challenges, reach out to Pastor Jason 610-754-6446 extension 27 or email at jwells@soth.church.

Classroom Spotlight: Made to Create

Students in Kindergarten through 8th grade will have the opportunity to experience formal art at some point during the school year. Art is an important part of a well-rounded education because it encourages creativity, strengthens observation and problem-solving skills, builds confidence, and gives students an opportunity to communicate ideas in ways that go beyond words.

Throughout the year, students are learning the elements and principles of art, including line, shape, color, form, exture, balance, pattern, and composition. We are exploring different different artists, techniques, and styles while learning what it means to truly be an artist. Students are encouraged to slow down, look closely, try new things, make thoughtful choices, and understand that creating something meaningful takes time and practice.

Most importantly, we want our students to recognize that creativity is a gift from God. We were made by a creative God and made to create. Whether students consider themselves "artists" or not, art gives them an opportunity to discover their unique gifts,.

Message from the Director

As we settle into our school routines, we are excited for the holiday season ahead and the opportunities to celebrate God's goodness together! In the busyness of the coming months, I encourage each family to slow down and intentionally seek the presence of the Lord. May we keep Christ at the center of our homes, our traditions, and our hearts, remembering that Jesus is the greatest gift of all. Thank you for being part of our CCA family.

Picture Day

Picture day was a huge sucess this year. We would like to extend a special thank you to Pastor Jonathan Grove for making this year's picture day seamless. Every child should now have 2-3 photos available for download on Brightwheel.

Please log in to your account on a **computer** and go to your child's profile. Under the profile there are several tabs across the top of the page. Click on the tab that says **attachments** and all the files will be there. Click to download them as they are set to expire off of brightwheel at the end of November.

Picture Day photos are ready to be downloaded!

We are off to a great start...

What a great month of growing in knowledge, strengthening our faith, and learning to honor Christ in all we do. We are thankful for all God is teaching us each day.

Meet the Teacher

My name is Mrs. Lee, and I teach Language Arts to 2nd through 8th. In my five years of teaching, I have taught Spanish, preschool, and now English Language Arts. I taught preschool here at Calvary Chapel Academy and enjoyed the Christian environment so much that I returned! It's such a blessing to teach where I can encourage and be encouraged in my faith. Previously, I taught Spanish at a Non-Christian private school for three years. I have an American education, even though I grew up in Bolivia, South America, and have been in the United States since my college days at Houghton in upstate New York. I graduated with a degree in education at the elementary level along with a concentration in Teaching English to Speakers of Other Languages. With my background, I have an interesting perspective to offer for Language Arts this year! When I'm not teaching, I spend time at home with my two little girls (3 and 5 years old), my husband, my excitable and snuggly mini golden doodle, aloof Russian Blue cat, and my parents-in-law. My husband is the youth pastor at Towamencin Mennonite Church in Harleysville, and I aid him with teaching and supervising activities with the youth.

Get Involved!

We love partnering with our families and invite you to get involved in meaningful ways! Consider joining our PTO, a group of parents and teachers working together to support school events, build community, and enrich our students' experience here at Calvary Chapel Academy. Our next event this year will be our annual Friendsgiving taking place Monday, November 23, after school. We also welcome families who would like to bless our teachers by donating snacks, coffee, or other treats for the Teacher Resource Center throughout the year.

Calvary Kids is the children's ministries of Shepherd of the Hills Calvary Chapel, it includes everything kid: Sunday school, children's church, our care room and the infant's crib room are all included. We give them an incentive to remember scripture.

Book Club: November 5th, in the Parlor at 6:30 PM

Our book for November is "Before We Were Yours". Author: Lisa Wingate

A privileged lawyer uncovers a dark history of stolen children and illegal adoptions, when she meets an elderly woman, revealing a shocking scandal from Memphis's past that connects 2 families. Based on one of America's most notorious real-life scandals –in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country. Lisa Wingates' riveting, wrenching, and ultimately uplifting tale, reminds us how even though the paths we take can lead to many places, the heart never forgets where we belong.

***You did not have to finish the book or even read it to come and enjoy the fellowship, please just come.

Ladies Bible Studies

Please note that it is never the wrong time to join a study, whether it is the beginning or middle of the study, just come!

The ladies will continue to study the book of John.

Wednesday Morning: Renee Miller, 9:30-12:00, 2nd and 4th Wednesdays of the month, in the Parlor.

"Delighting in God's Wisdom, A study on the Book of Proverbs".

Wisdom. We need it. We want it - but often look for it in all the wrong places. Moment by moment our life circumstances dictate the need for wisdom. From simple everyday choices to the more complex and life changing; we need wisdom for successful decision-making. Where do we find this wisdom? Solomon will tell us in the book of Proverbs that wisdom begins with the fear of God and all wisdom in found in Him. The majority of Proverbs was written by Solomon, "the wisest man on earth. Proverbs is the "how to" for life and will lead you to the heart of God and His wisdom. The book is available in Chronicles Book Store for $8.00

Mother's Group: for mothers with children through 12th grade: Meets in the parlor on the 2nd & 4th Tuesday at 6:00.

2nd Tuesdays lead by Melanie Busby, 4th Tuesdays lead by Heather Wells.

Ladies, how do you start you day? Do you jump out of bed, ready to go, go, go and tackle the" to do" list for the day, (after your morning coffee, of course) or do you spend a few minutes resting a while longer, not hitting the snooze button, but enjoying the first moments of the day, in the presence of the Lord Almighty? If we ask the Holy Spirit for the words and guidance for our day, the worries of the day start to fade away. "Open wide your mouth and I will fill it" Psalm 81:10

Sing a Hymn of praise, not necessarily out loud, and let the words penetrate your spirit, as you offer up a sweet fragrance to the Lord. Allow Him to equip you with what you need to face this day. Ask Him to keep you from the snares of this world." LORD, that we may rely on your faithfulness; give me an undivided heart, that i may fear you", Psalm 86:11

How amazing is it that the Lord of Creation would desire a few minutes with us, his daughters, sinners all of us, yes, yet it was His Passion that brought heaven down to cleanse us and make us holy, His Sanctified Bride. Sit with the Lord, so you are ready to face the day, surrounded with His love, armed with His truth, and filled with gratitude. These precious moments are a gift, time spent in His presence, open it and savor every moment in God's lovely dwelling place.

GET INVOLVED AT SHEPHERD OF THE HILLS

Nothing about the Christian faith is by accident, it all requires being intentional about your relationship with God. We encourage everyone who attends Shepherd of the Hills to this intentional approach to our church through service and fellowship.

Every third Sunday we offer a Shepherd 100 class for those who are interested in learning more about our church community. These classes begin with Shepherd 101 where you'll get an introduction to our church and what makes us distinct. Our Shepherd 102 class walks through the Calvary Chapel Distinctives. The Shepherd 103 class will review our Statement of Faith, and finally our Shepherd 104 class will provide you with tools on how to study the Bible.

If you would like to attend a Shepherd 100 class, please sign up at the Event Sign-Up kiosk in the foyer or email Pastor Jason at jwells@soth.church to be added to the list.

MINISTRY SPOTLIGHT

"Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these."

Mark 10:14

Samaritan's Purse Operation Christmas Child is our Ministry Spotlight for the month of October. Operation Christmas Child Shoeboxes allow us to be missionaries to children around the world. Last year, Samaritan's Purse distributed over 10 million shoeboxes to children around the globe. Statistically, every 1 in 4 children give their life to Christ after receiving a shoebox gift. Through this ministry, we can touch the lives of children, families, and communities in parts of the world we could never travel to practically.

Participation is simple: just grab a box or two (or more) from the table in the Lobby, fill with gifts and items for a specific child (boy or girl) and age range, attach and mark the label to the top of the box (included inside the box), and return to the lobby next to the main entrance.

A list of gift suggestions is available to pickup at the display in the lobby, or you can visit the Samaritan's Purse website for a list you can download and take to the store. You can even add a personal note, picture, or drawings. OCC is a great way to get the whole family involved.

National Collection week for OCC is November 15th -22nd, so you have the whole month of October to pack shoeboxes. Be sure to return all filled boxes by November 22nd!

And remember, "It's All About Jesus."
